Chesapeake Region Safety Council – Marketing Content Strategist

Baltimore, MD • November 2025 to Current

- Support CRSC brand and marketing strategy through research, planning, and optimization across digital channels.
- Develop campaign materials aligned with target audiences, organizational goals, and product messaging.
- Lead keyword research, on-page and technical SEO improvements, content refresh cycles, and link-building initiatives.
- Monitor performance metrics and campaign analytics to inform strategic decisions.
- Design dashboards and reporting structures using Salesforce, Google Analytics, and internal tools.
- Track KPIs including traffic growth, keyword rankings, engagement, and marketing-sourced leads.
- Support CRSC's podcast development through episode research, production planning, guest coordination, and structured documentation.
- Manage podcast publishing, metadata, promotional content creation and distribution across major platforms.

Chesapeake Region Safety Council – Marketing Coordinator

Baltimore, MD • February 2024 to November 2025

- Managed customer engagement, by crafting personalized strategies driven by data.
- Coordinated diverse marketing campaigns across digital, social, print, and event channels.
- Conduct market research in directed Omnichannel Marketing initiatives to refine strategies and enhance product offerings, ensuring creative direction.
- Actively generated leads through networking, cold calling, digital channels and referrals.
- Assisted in CRM system management to support targeted marketing efforts.
- Developed written, visual and/or audio marketing content that appeals to CRSC customers/clients/students and supports cross-functional needs.

Esignd Creatives (Fawr LLC) – Growth Marketing Strategist

Baltimore, MD • June 2022 - Current

- Developed and managed integrated marketing strategies across digital, social, paid media, and experiential channels for clients and in-house brands.
- Planned and executed multi-platform advertising campaigns across Google, Meta, TikTok, and other digital platforms.
- Managed campaign performance, audience targeting, budget allocation, and optimization efforts to improve engagement and conversion outcomes.
- Led brand positioning, content strategy, and go-to-market planning for product launches, campaigns, and community-driven initiatives.
- Produced and coordinated live activations, experiential campaigns, and community-focused events from planning through execution.
